

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

RYAN HYAMS,
Plaintiff,

v.

CVS HEALTH CORPORATION, et al.,
Defendants.

Case No. 18-cv-06271-PJH

SCHEDULING ORDER

Re: Dkt. No. 118

Before the court is plaintiff's motion to modify the case management and pretrial order. Dkt. 118. Defendants have not opposed the motion, and the time to do so has passed. Accordingly, the matter is suitable for decision without oral argument. Having read plaintiff's papers and carefully considered the arguments and the relevant legal authority, and good cause appearing, the court hereby rules as follows.

Plaintiff seeks an order extending three dates set by this court in the initial case management and pretrial order. That order set the expert discovery cutoff at December 13, 2019; the pretrial conference date at January 16, 2020; and the trial commencement date at February 10, 2020. Dkt. 13. Given the present state of the litigation, the parties' numerous outstanding discovery disputes, plaintiff's request to alter these dates, and defendants' non-opposition to plaintiff's request, the court finds that there is good cause to extend those three dates.

Accordingly, the court ORDERS the following revisions to the pretrial scheduling order:
